## Teaching Point

Welcome to our lesson on wisdom. Wisdom is one of the things God wants us to have in our walk with Him. It is helpful for deciding what to do in different situations.

If you remember the Bible story about Solomon and his dream, you will probably remember that he asked for wisdom from God. The

word wisdom in Greek means to use knowledge and discretion together to make the right choices. Solomon was given wisdom in his dream because he asked for it. We can ask for wisdom too! He was noted as the wisest man in the world except Jesus which can be understood because Solomon was not perfect. He received his wisdom when he first began his reign as king.

That means he was just like you and I, only he was a king and we aren't. Listen to this though, if you are saved, you are a daughter of THE King! That means that if you were lost at one point and now are saved, then you are a daughter of the King! Isn't that awesome? I suggest reading Proverbs. It is full of wise words. It gives you a lot to think about.
